### Mungall Saddened by Loss of Jack Layton

On August 22 I awoke to the deeply sad news that Federal NDP Leader, Jack Layton had succumbed to cancer. I was heartened by the massive out-pouring of kind words and memories and we collected more than two books of sympathy and well-wishes for Jack's family through my office. If you did not have the opportunity to send your message, you may still do so in the [online condolence book](#).

### Bend The MLA's Tour 2011– August 24, 25, 26

This year's Bend The MLA's Ear was a success. I relish this summer tour of the constituency; listening to your concerns, sharing ideas, and getting out to enjoy our beautiful Kootenay communities. I am already looking forward to next year.

### BC Rivers Day September 26, 2011

Water is one of British Columbia's greatest resources— one to be protected and conserved and I continue to advocate and educate on the subject of water. On September 26th I will be celebrating BC's rivers right here in the beautiful, water-rich Kootenays. Watch my website's

[Events](#) page for details.

Also, be sure to check out my [Women & Water](#) webpage for some great resources and information on water issues.
